Subject: all ages lead model charge question
Attachments: AALM Charge Qs_18Dec18.docx

Hi David and Jennifer,

Sitting in the lead coordination meeting reminded me that there had been drafts of the all ages lead model charge questions floating around the IOAA. Having talked with Jim Brown, I think we may have had a older version of the file (David, you had been looking at this). The current version is attached.

Just as background, SAB last reviewed the AALM in 2005. These charge questions were developed within the lead TRW, and staff level comment/input from ORD, OW, OPPT, OLEM, as well as more recently from SAB staff.

-Lou
